

**Key School PTA
Executive Committee Meeting
March 2, 2010
7:30 pm**

- I. Welcome and Introductions (Paige Chabora): In attendance, Paige Chabora, Lisa Nadel, Windsor Freemyer, David Landeryou, Mr. Riley, Nick Keenan, Julie Scott, Jennifer Felten, Susan Kaminskas, Ms. Palm, Ms. Shields, Ms Johansen, Ms. Gianakis
- II. Principal's Report (David Landeryou): Welcome to teachers and thank you for joining us.
- III. Teacher's Report: Nothing to report
- IV. Auction Fund-an-Item (Caitlin Durkovich, Nick Keenan): Discussed the current computer lab and the need to upgrade it. Currently the lab has a total of 29 computers of which only 17 are usable. The goal for fund-an-item would be to raise money to replace all of the computers in the lab. The cost for a desk top would be \$1400 and come with three years of support.
- V. Treasurer's report (Julie Scott): Reviewed the budget, some concerns regarding the FLES program which continues to run in the red due to the room rental required by the DCPS. This will be reviewed further: can we lower the room fees?
- VI. Dues Update (Jennifer Felten): 60 families remain unpaid, letters will be sent and we will continue to follow-up on collecting these outstanding dues.
- VII. KEHP Report (Lisa Nadel): All is well; March tuition will be pro-rated to account for Spring Break
- VIII. Other Business:

Advertising on Key School Website: this idea has come up, but there are some concerns as to who will monitor the information, update the information, etc. We will continue to discuss the feasibility of this, along with ads in the Key School Directory, over time. It could be a new source of income for the school, but there are several logistical items that need to be worked out.
