

PTA General Meeting Agenda
January 27, 2010
6:30 pm

I. Welcome and Approval of Minutes:

Paige Chabora and Windsor Freemyer welcomed everyone to the meeting; the minutes from the October General PTA meeting were approved.

II. Principal Report:

Discussed Teacher's Development day: 90% of the staff is CPR certified, continuing to train teachers on the guided reading program, and smart board training. Test scores for the children are consistently improving due to the continued development of the teachers.

Students have been creating ways to raise money to support the people of Haiti.

III. Treasurer Report:

Julie Scott updated everyone on the current status of the budget. Nothing unusual to report.

IV. LSRT Report:

Nothing new to report.

V. Committee Reports:

- a. Science Fair (Deborah Winter): The fair will be Friday, March 5th. Set up will begin on Thursday, March 4th. Currently she is looking for more "professional" judges, people to help set up and break down the fair, volunteers to bring food for the judges, volunteers to assist in interactive tables that will help entertain the children.
- b. Arts Exploratory Committee: Lauren Goodyear Schramm reported that a committee is continuing to explore and develop an arts program within the Key community. They are looking at several options that include Fillmore and options that would be independent of Fillmore. They will be offering a full report and recommendations shortly.
- c. Auction: Kim Christo, Caitlin Durkovich, Maria Emanuel reported that 75 items had been submitted to date. They are looking for more donations of a more personal nature: dinner for 6, yard service, etc. Fund an item will be technology focused (enhancement of outdated technology in the school). Continuing to look for volunteers for check-in, check-out, solicitations, etc.

VI. Meeting Adjourned: Presentation of “Raising I Can Kids”.
