- Please bring a dish and/or beverage from your country to share with this lively group.
- Learn about Key School's monthly "Passport Tuesdays" and World Family Day.
- Remember to arrange for a sitter early. Even if only one parent can get away, please still try to join us.

Our international dinner is a great opportunity to meet and mingle in a relaxed setting with other international families at Key School. Perhaps you'll even discover other parents from your home country!

We look forward to meeting you all,

Charlotte Perry, Melina Bellows and Kristen Williams
