Key School Auditorium**

- Vote to approve next year's budget
- Vote to approve updated PTA bylaws
- Hear the results of the LSRT Parent Survey, including a summary of next steps
- Learn about the new "Green Committee"
- Cast your vote for next year's LSRT members

We'll also hear a presentation by Len Jewler, who conducted a study of the Lafayette Elementary School graduating class of 2000 to explore whether there was a difference in the rankings of the colleges and universities that admitted Lafayette graduates who attended public high schools versus those who attended private high schools.

This fascinating study addresses the question on everyone's minds: What about life after Key?
