

F.S. Key Elementary School PTA
AFTER SCHOOL ENRICHMENT PROGRAM
Winter 2009

Hello Parents:

For the past several years, the PTA has offered an After School Enrichment Program (ASEP) featuring a wide range of classes taught by our talented and unique Key School Teachers. Winter 2009 promises to be another popular program with many of last year's favorite classes returning and several new and interesting options. Classes will begin the week of January 12 and run for 8 weeks, 3:30pm – 4:30pm. The cost will be \$73.00 per student, except for those students already registered in the Aftercare Program on the day of the class. Please check out the great list of classes below. If any of the offerings are of interest to your child (ren), please register online beginning Tuesday, December 16 at 5:00 p.m. at www.keyschooldc.org. After completing the online registration, please print out the registration form, attach payment (checks made payable to Key PTA) and return this to the ASEP box in the main office by Friday, December 19. Payment must be received to secure a spot in the class. In the case that any class is over subscribed, a lottery method will be used to determine participation.

Paper registration forms will be available in the main office on Wednesday, December 17.

One more thing. We need a few parent volunteers to help pass out snacks from 3:10 – 3:30. It may be a bit hectic the first week, but once everyone gets used to where they are going, it should be just a few minutes of your time for as little as one day a week for the 8 weeks. Any one who is interested, please email Arthur Jackson at arthur@1on1basketball.com. Thanks, and here are the classes.

Class Descriptions

Creative Movement Come burn off some extra energy with music and movement!

Mrs. Browne

Monday Pre-K, K

\$73.00

Arts & Crafts Create unique craft ideas while having fun! We will use many materials: felt, yarn, ribbon, foam, glitter, glue, markers, crayons, paint and more to make puppets, picture frames, decorations, and other great creations.

Ms. Wanielista

Monday Grades: 2,3,4,5

Note: Price includes \$5.00 materials fee

\$78.00

Mathematicians Explore math through games, puzzles, crafts, and read aloud activities. A great way to learn math concepts in fun and imaginative ways.

Ms. Bergantino

Monday Grades 3,4,5

\$73.00

Spanish Learn Spanish through games – Practice and use new Spanish vocabulary while playing games. (This is different from the FLES Spanish classes at Key but a great opportunity to reinforce learning for those already in FLES).

Ms. Joly

Monday Grades 1,2,3

\$73.00

Basketball Do you want to have fun learning how to become a better player? Skilled and experienced basketball instructors from the One on One Basketball Program will conduct these clinics. These clinics will help you become a better basketball player through drills, contests, and team competition.

Instructors from One on One Basketball
